EDUCATION

University of Ghana, Ghana—bachelor's degree in information technology

January 2021- Present

Presbyterian Senior High, Technical School, Aburi **2016 – 2019 WASSCE**

OBJECTIVE

Highly motivated and aspiring web developer seeking an internship opportunity in the IT industry. Eager to apply and expand my knowledge in web development, programming languages, and front-end technologies while contributing to the success of a dynamic and innovative organization. Committed to delivering high-quality solutions and staying up-to-date with the latest industry trends and best practices. Excited to work in a collaborative environment, learn from experienced professionals, and make a meaningful impact in the field of web development.

RELEVANT EXPERIENCE

-Internship at Ghana Maritime Authority -October 17,2022 to December 17,2022

The internship at Ghana Maritime Authority involved learning and practicing in various aspects of the organization. The experience helped me understand departmental work, working environment, teamwork, and individual assignments. This internship provided me with the opportunity to broaden my knowledge and identify strengths and weaknesses for future career growth.
